Terms and Conditions

The purpose of this document is to obtain your declaration of the Balance of Payments (BOP) category for the account listed herein. Standing instructions can only be processed for the specific beneficiary account listed herein.

The terms and conditions hereunder contain sections in bold (clauses 4, 5.3, 5.4, 5.5 and 6):

- which limit the risks and liability of the Bank to you and other parties
 - where you assume certain risks and liabilities
 - which impose an obligation on you to indemnify the Bank in certain circumstances
 - where you acknowledge that you are aware of certain facts relating to giving the Bank standing instructions and the methods of communication with the Bank
1. I hereby confirm that I shall not at all times be able/available to provide the Bank with a BOP form and hereby authorise Capitec Bank Limited, registration number 1980/003695/06 ('Capitec Bank' or 'the Bank'), to declare money received on my behalf in terms of the Exchange Control Regulations of the South African Reserve Bank.
 2. I warrant that the BOP category will not change in relation to future inward payments, alternatively that I shall provide a newly completed and signed instruction form and indemnity to the Bank prior to any change of category that I expect to continue as the appropriate category and only if I expect such change to occur, and inform the Bank of such change by way of electronic instructions.
 3. I confirm that the Bank is not obliged to confirm receipt of instructions either telephonically or electronically (by fax or email) to me in writing or otherwise.
 4. **I understand, confirm and acknowledge that:**
 - 4.1 **the use of telephone, fax or email may not be the safest or most prudent way of providing instructions as a result of the inherent shortcomings in these methods, including without limitation, equipment malfunction, distortion and the like;**
 - 4.2 **aside from asking questions relating to personal information, it is not possible for the Bank to confirm the identity or the authority of the person(s) providing the instructions either telephonically or electronically;**
 - 4.3 **should personal information or instructions fall into the hands of an unauthorised party, it may be used to commit fraud; and**
 - 4.4 **by instructing and authorising the Bank to accept instructions either telephonically or electronically, I may be exposing myself to substantial risk, not specified herein.**
 5. Therefore, as a prerequisite to the Bank accepting my instructions as above:
 - 5.1 I consent to the electronic recording by the Bank of instructions provided telephonically. I also consent to the recording of the instructions, whether received telephonically or electronically on the Bank's processing systems.
 - 5.2 confirm that I am legally bound by the telephone recordings of the instructions or purported instructions, and by instructions or purported transactions provided electronically in the same manner as I would have been had I completed and signed the Balance of Payments form, the terms and conditions of which I am fully aware of and to which I agree.
 - 5.3 **I hereby indemnify and agree to keep the Bank indemnified against all demands, actions and** proceedings which may be made or instituted against the Bank, and all injury, loss or damage which may be suffered by the Bank, whether directly or indirectly, arising out of or in connection with this agreement and/or relating to the receipt and implementation of instructions or purported instructions either telephonically or electronically (by fax or email), or the electronic recording of telephone conversations in respect thereof.
 - 5.4 **I also hereby indemnify and agree to keep the Bank indemnified against all demands, actions and proceeding which may be made or instituted against the Bank, and all injury, loss or damage which may be suffered by the Bank, whether directly or indirectly, arising out of or in connection with or relating to any transgression of Exchange Control Regulations and/or the fact that the money received by inward payment may not relate to an underlying export trade or transaction.**
 - 5.1 The liability of the Bank or any of its employees in the event of any successful claim instituted against the Bank shall be limited to actual financial loss incurred by me and shall exclude indirect and consequential loss or special damages of any nature whatsoever.
 6. In particular, I agree and confirm that the Bank or employees shall not be liable for any loss or damage caused as a direct or indirect result of instructions or purported instruction received either telephonically or electronically and implemented by the Bank, including but not limited to loss or damage (of whatever nature) brought about by or in relation to any or all of the following:
 - 6.1 infringements of confidentiality arising from the use of the telephone, fax or email to receive information from or to send instructions or information to the Bank;
 - 6.2 malfunctions, failures or unavailability of any hardware, software or equipment;
 - 6.3 reliance placed on incorrect, illegible, inaudible, incomplete or inaccurate information or instructions of any kind provided by telephone, fax or email;
 - 6.4 false, fraudulent or altered information or instructions of any kind provided by telephone, fax or email;
 - 6.5 delay in acting immediately upon information of any kind provided to the Bank either telephonically or electronically, irrespective of the reason for the delay and whether or not there was negligence on the part of the Bank or any of its employees; and/or
 - 6.6 any event beyond the Bank's control.
